1. Greetings and Welcome

2. Excuses

We consider our friends who have died, Heinz Möhrlein and Martin Uitz
Jean Majerus is ill and hopefully will join us again in the future.
Jean de Brauer, Günter Elnrieder, Ariveli Starcke, Costas Kyriakides, Jan Leisdal Rotary,
Boris Kolew-Gerardy, Felix Mauron.

3. Secretary

Cees Verweij was proposed by Werner, seconded by John and voted unanimously ☺
Cees would try to complete our address – list.

4. Motions carried for countries to organize NoMe

Surely, going to Israel, Ariel would do a marvellous job in terms of organization and security,
however, quite some persons or wives would be afraid going there.

We should try to stay in countries, also geographically more to the centre of Europe. Also we should try to hook it up with other events, as it was done in the very first year in Biberach, mixing along with the "Schützenfest".

5. NoMe 2009

Werner presented the proposal of running NoMe 2009 in Switzerland, along with Swiss AGM and International HYM in Sursee. Whilst the mixture gives us the chance of meeting maybe other friends, we know from old active times, but we wish to maintain the entity of NoMe. We would join the gala dinner on Saturday, including the concert but otherwise do our own program.

6. Proposal NoMe

Jan and Egon proposes to organize NoMe 2010. His proposal is welcome and voted.

Cees Verweij, seconded by Werner, critisized by John
