

Minutes of the NOME Meeting 2009-10-31

The event took place in Lucerne.

The meeting was held on Saturday the 24th of October in Hotel Monopol in Lucerne

Opening at 15.30 by Felix Mauron who replaced Werner Blessing as our host.

Participants of the meeting

Felix Mauron chairman

Cees Verweij secretary

John Reinerie

Ariko Gulbis

Andris Gaters

Egon Jenssen

Moshen Khamassi

Apologies by Werner Blessing, Jan Leisdal, Michael Fechter and Mike Roberts

Costas quoted the minutes of the previous meeting in 1998 in Luzern where it was stated that NOME would not have a gala with BlackTie .

Moshen stated that he was present last year in Heibronn but not mentioned in the minutes

The main problem for organizing aNOME is the update of addresses.

Cees tried to find addresses but found it very complicated.

He passed some lists with names of former participants with the request to update addresses where possible

Felix will send test emails to check the present lists.

Cees and Felix will cooperate to generate as many valid addresses as possible.

Cees said that he was not so happy to be part of a 41 meeting as NOME is a different kind of meeting. All agreed on this.

Next Venue

Egon presented Bornholm as our meeting place for 2010.

The meeting will be held from the 26th to the 29th of August on this beautiful island.

Best way of getting there is by plane.

Second best is by car through Sweden (one hour ferry) or through Germany (3 hour ferry)

It looks very promising and a lot of home hospitality can be expected.

The meeting in 2011 will be held in Cyprus.
