The meeting commemorated Alain Huchon past president of WOCO.

Jean Paul Juttel ,past president of Luxemboug was also remembered .

Both died in 2013.

The weekend was held in and around IJsselstein and Utrecht.

Guided tours,musea (in one we could dance!), a windmill ,a boat tour, home hospitality, excellent food on all locations made the week-end to a very exiting get together of old friends with a lot of shared memories.

It was a pity that a few faithful NOME friends could not make it this time .

But we expect them next year in England.

To conclude this report from the Netherlands John and I thank all participants for coming to the Netherlands and making it a very memorable weekend.

See you all next year,

Cees Verweij
