

# U r g e n t

Bad News: We have probably  
got the weekend with the worst  
weather this year!  
Snow is announced on the  
mountains surrounding Lucern.

Good News: We didn't come to  
go sunbathing — but to meet  
friends and live fellowship.

I did manage this morning  
to organize an alternative program  
for Saturday: 12.09.98

|               |                                                        |
|---------------|--------------------------------------------------------|
| 8:30 - 10:00  | Official NO-Me - meeting                               |
| 10:00 - 12:00 | Guided tour through Lucern                             |
| 12:00 - 14:00 | Lunch boat - Touring on the lake                       |
| 14:00 - 16:00 | Verkehrshaus - museum for trains,<br>aviation and cars |
| 16:00 - 17:00 | IMAX "The magic of flight"                             |
| 17:00         | return to the hotel and free time                      |
| 19:30 -       | The one and only - Chateau Gütsch                      |

have fun.

Loert
