Come to Rome!

History of NoMe

Round Table is a wonderful way of investing some time in sharing good moments with friends. Whether it is for the regular evening meetings, with or without presentations on interesting topics, whether it is the official statutory meetings like AGM's, local or national, or whether it is the many opportunities of meeting international friends who live the same "joy of living".

The specialty of Round Table is, that at the age of 41 years, the member must leave. Whilst this ensures the ongoing young spirit of the Club, it is however a deep cut in those regular involvements all around. Especially, if the member has been very active, by the means of climbing to the National Board of his country.

Exactly that emotion of missing something has driven me, then IRO on the French National Board, to organize a specific meeting for members of National Boards, to come and meet yearly, in a different country, and to enjoy fun and friendship internationally.

NoMe, Nostalgic Meeting or simply ... know me and I know you ... was born. Held in Biberach, South – Germany, my place of birth and combined with the local "Schützenfest", international friendship and fellowship @ NoMe started.

Wonderful, to see, that still today, it is still happening with the same passion then at the start.

The Airport

Rome is served by 2 Airports:

Leonardo da Vinci International Airport (FCO), also known as **Fiumicino**, is the main international airport located 35km southwest of the city center.

Giovan Battista Pastine Airport, also known as **Ciampino (CIA)**, is used by budget airlines Easyjet and Ryanair.

Hotel and surroundings (1)

**Very nice hotel, centrally located.
Directly opposite the parliament and close to various sights.**

Hotel and how to get there (1)

The most convenient way to reach the Hotel Colonna Palace from the airport is by taxi. Alternatively, from Fiumicino airport you can take the train to Termini Station or from Ciampino airport you can take a bus to Termini Station. Once you arrive at the station you can take the metro, get off at the "Spagna" stop and reach the hotel which is a 10/15 minute walk away.

(Information from Hotel Page).

Leonardo express is the **non-stop service** that connects the Roma Termini train station, the main interchange for all public transport services as well as the lines for Florence/Bologna/Milan/Venice and for Naples/Salerno, to the Rome Fiumicino Airport **in just 32 minutes**, with departures scheduled every 15 minutes. The train station is conveniently located inside the airport.

Ticket price: just €14! If you're travelling with a group, you can take advantage of the **'Mini-groups' fare** to purchase 4 tickets in a single transaction for the price of €40 instead of €56!

Taxi Service from the Airport Recommendation by Marco

Usually when I fly to Rome Fiumicino, I take a **private** taxi service (private car and driver) directly to the hotel in Rome. Last time I paid 52 Euro. If you take the train to Roma Termini Station and then a taxi to the hotel you might even pay more. The prices are better than for those taxis that you can find at the airport, where you have to wait in a queue.

You have to make a reservation in advance.

Here are the numbers, and it's better to ask for the price during the booking:

Registration Process Meeting

To avoid problems with your mail box you'll find all information on our website. Please follow the registration instructions:

1. Please go to our website [NoMe – Let us share the past, present and future](#) to **download the detailed program** and the **registration form**. For the detailed program click on the picture and then press  if you want to save it on your device. Then push the “back” button in your browser and go back to the previous site. Download the registration form and open it. Save it on your device.
2. Please do the **short registration on our website**: *Next Meeting → Registration*.
Password: shamishito. This only serves to show all other NoMe friends who have already signed up and are coming to the meeting. Hopefully, since we're all friends, the list encourages others to come as well.
3. Fill in the **registration form** completely. It contains all the information we need for the meeting. It's a **Word document** that can be processed by Word. Send the registration form to m.jacobbi1955@gmail.com
